- Design

Summary

Graduated engineer for computer science and informatics. I have a good knowledge of front-end, and I am also versed in back-end.

I graduated from the mechanical engineering high school, where I won two diplomas at the national and regional competitions.

I am highly motivated to continuously learn and expand my knowledge. Well-versed in various programming languages and frameworks including HTML5, CSS, JavaScript, Bootstrap, React, Node.js, Python, Java, and MySQL. I am also familiar with a variety of software such as Adobe Photoshop CC, Adobe Illustrator CC, Adobe InDesign CC, Adobe Premier Pro CC.
